“ In 1963-64, Barbara and I lived on the same floor of Arbuthnot Hall (Arby), Oregon College of Education, Monmouth, OR, now Western Oregon University. Ben and I have lived near Seattle, WA since 1976. ❤️ A few years ago we stopped at the KOA Campground to visit her and Mel. It was great to see her and meet Mel. That was the first and last time I had seen Barbara since college. So glad we made arrangements to see them. May your good memories sustain you all and bring you peace! With love!
