“ I worked with Chuck at Puget Power in Bellevue, Washington. We were best friends for years. We took our coffee breaks together. After work we often went to the Mexican restaurant next door for a quick after work drink. Yep, we ended up sitting there for hours. We had great talks about anything and everything. This was in the late 1970's. Though I ended up moving to Illinois, I have never forgotten Chuck. He was funny and kind. Such a loyal friend. We were friends 30 years ago, yet even today, when he crosses my mind, I smile.
