

## Donald Roy Tweed III

October 21, 1958 - April 27, 2018

Donald Roy Tweed III "D.R." passed away April 27th, 2018 after fighting the good fight with cancer.

He was 59 years young with a heart and soul that could keep up with the best of em'. D.R. was born on October 21st, 1958 in Des Moines, Iowa to Donald Tweed and Mary-Ellen Tweed. He worked hard all his life including service in the U.S. Navy, but his greatest accomplishment was being a husband and father. He married the girl next door and love of his life Donna Tweed on February 11th, 1994. D.R. had two daughters Mishayla Tweed and Alicia Tweed. D.R. referred to his wife and daughters as "His girls". He put not only them but everyone before himself. His laughter contagious, his work ethic and compassion admirable, and his vast knowledge inspiring. He could spark a conversation with anyone no matter what walk of life. A good time to him was with his family, Busch beer in hand cheering on the Seattle Mariners and Seahawks and walking his fur babies; Peaches and Butters. He enjoyed old movies, astronomy, classic Rock n Roll, sports, and life in general. He always enjoyed taking in the views down at the beach and would always say, "When you are standing here all of life's problems are behind you".

Our sweet Donald and Daddy you will be with us every day in everything we do. Our love for you is like the ocean, where you found your peace. Deep, wide, and everlasting

He is survived by his wife Donna Tweed, daughters Mishayla and Alicia Tweed. His fur babies Peaches and Butters Tweed. Sisters, Pam O'donoghue and Stephanie Tweed. Brothers Daniel Tweed and Butch Wood and many nieces, nephews and beloved friends.

He is preceded in death by His father Donald Tweed, Mother Mary-Ellen Tweed, and sisters Laurie Wood and Diane Smith.

Arrangements are being entrusted to Pacific View Memorial Chapel.

D.R's obituary will also be published in The News Guard, Wednesday May 9th, 2018.

“ D.R., you gave us all something to remember you by, whether it be a word of encouragement, a new rock and roll tune that you just HAD to share, a good laugh, "Only things D.R. knows for \$1,200.00 Alex", a famous movie quote that will forever remind us of you, and watching the Seahawks, and the Mariners will take on a whole new meaning because of you and your love of your sports teams, but most importantly, you left us with the memories of what love truly is when shared with those you care most about, and how the simple things in life really are the most significant. You gave the world 2 beautiful people who just so happen to be the most important things EVER to Donna and I, and they are who our hearts beat for. Thank you so much for that D.R. Both Shayla-Poo and Lu-Lu are completely in your image, and they will continue to carry on the legacy that was you. You made a lasting impression on anyone who was lucky enough to meet you D.R. and the world became a much sadder place since your demise. RIP D.R. We will all miss you! Forever, Deni

“ I could post several graphics that would remind me of you, but your heart was the best part of knowing and loving you. You started out my son-in-law and became my son. I will forever miss the movie trivia that you brilliantly recalled. You were simply the best. I love you son.
