“ *He had so much compassion for others that I feel may have put him in not the best situations, but he continued to help and embrace those in need. I feel a tremendous lose to our community he was my equal as a fellow ginger in feistiness and in matters of the heart. Red heads share a very unique tight bond and know only a fellow ginger could ever know that bond. Doulas will always be my ginger and my he finally rest in peace..I will truly miss you love.*
