“ *I am going to miss posts on FB and our message conversations. Most of our lives have been contact other than in-person because of distance, but we stayed close and I am grateful for that. Rest peacefully and pain free cousin!!*

“ To Deanne and family, Rick was a wonderful man and I will truly miss his FB posts of Douglas and all his animals. I remember when Rick and Devin came into the Gift Shop to say hi and he told me they were fighting this awful fight together but Devin wasn't so lucky. That absolutely broke my heart. Rick put up one hell of a fight. A true warrior in my eyes. Know your family is loved and you guys raised some awesome people. Good job, that's all we can ask for as parents and i know he was extremely proud of you all and loved you so much beautiful lady. Take care my friends. Fly high Rick, rest easy and go FISHING my friend!

“ Rick was always such a kind humorous man. He was very accepting of others and a great example of what a good man looks like. He took everyone of his kids friends into his home with open arms. Rest in peace Rick. Thanks for always being so kind to me and inviting me into your families lives.

“ From the time I was a young kid, to an adult! You taught me so much. My many memories of you will consist of several outdoors activities in Wyoming. From camping, target practice, going out hunting, (even though I fell asleep in the truck!) And just learning a strong work ethic between you, Scott and dad.I know that you have reunited with quite a few people whom you loved. Thanks for being a huge part of my life. Not only were you my brother in law. I seriously considered you my brother!Until next time, and we meet again.
