“ Miss you so much brother. So glad you are no longer suffering. I know you are in heaven with mom and dad telling jokes and lighting up the sky with your smile! Every time I see one of your grand children, I see parts of you in each one of them. You have created a legacy of love and laughter that will never be forgotten. Rest In Peace knowing that you made a lasting impression on my life and so many others that you touched with your kindness. Love you always, Patti
