

## Hailey Elizabeth Lintner

June 13, 2006 - November 8, 2017

Hailey was born June 13, 2006 in Salem, Oregon to Adam Lintner & Angelia Porter. She passed away surrounded by those she loved and her care team from Samaritan Hospice at her grandparents home in Lincoln City, Oregon on November 8, 2017.

Hailey was a beautiful child with a even more beautiful soul. She loved to draw, loved wolves, music and telling jokes. She attended school at Madras Primary School up to 6th grade. She lived in Salem, Independence, Madras and Lincoln City. In September of this year Hailey and her family went to Disney World in Florida, the memories of that trip will be with the family forever; meeting Goofy was her favorite. Hailey loved her family & friends and touched more people's lives in her eleven years than most people will in a entire lifetime. She was our hero. She fought her cancer hard and is our Warrior Princess. Hailey was brought into the world with love and left surrounded by love. Her Mom, Angie will miss her best friend forever. We will love Hailey forever. ?

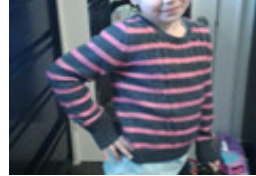

Hailey is the beloved daughter of Angelia Porter and Adam Lintner; loving sister of Ashley, Michael, Kaitlyn and Alex; cherished granddaughter of Norm & Karen King and Ellen Lintner. Also left to mourn is her Aunt Christy and cousin Grace, Del Poppe & Raider along with many other family members and friends.

“ Our Sweet Princess, You loved so much, a heart of gold. You have a wonderful spirit full of smiles, laughter, cute sayings like "curse you" when you don't get your way. You have been so strong and brave. I will always cherish our memories of playing, running in sprinklers, skypeing, talks, doing hair, playing minecraft and sims 3, trying brussel sprouts, just so many memories. You will forever and ever be in our hearts and souls. We love you sweetie, always and forever!

“ Light a candle Say a million prayers, Your light  
will shine the brightest, Like a billion shooting  
stars. So young, so brave, Too soon be gone,  
Tell me we're wrong Tell me it'll be ok, I know  
we'll see you again someday But it hurts just  
the same. Fly with the angels my precious star. When I look up I  
know you won't be far.
