“ I am so very sorry for your loss. My family is sending prayers and love to you and your family. James lived across the street from us with Mathew and Jacob many years ago when they were very little. They played with my girls. James was a very kind and loving person. He was a great Father and friend to everyone. I never had the chance to meet you personally Linda, but I feel like I have got to know you over the past year. I can see the love he had for you and you for him. I am glad he was so loved and happy all these years with you, Rest in Peace my friend.

“ Dear Linda, Matthew, Jacob, Dane and David, my heart is heavy with the loss of James. James lit up anyone's day with his beautiful smile. I thank you for opening up your home in Pinetop for a family reunion when Jacob and Nicole came to visit. I will never forget that weekend and how kind you were. James took me out for a ride to the river and interduced me to one of his friends that shared the love of the ancient indians with me. I loved James always...how could you not? As Matt and Jake's grandma I share the loss of the entire Rowland family and will also miss his smile a the big hug he always gave me.
