

## Jan Christine Fournier

August 16, 1956 - June 6, 2016

Jun was born on August 16th, 1956, when the Federal Aid Highway Act was passed and the show the Price is Right started. When she turned 18 years old, the civil rights act was passed and the Vietnam war started. At the age of thirty, her world at dramatically changed, with the space race, the Space Shuttle Challenger disaster, and Halley's comet. When she turned fifty years old, she saw the launch of the international space station, and the beginning of America's Got Talent. She passed away at the age of 59 years old on June 6th, 2016.
