“ I saw a post that Kay may have passed, so I searched the internet today, and my heart broke. I'm saddened by the news, and am full of regrets of not knowing my cousins better. I can imagine the tremendous grief you all feel, yet I can also see her memory will live forever in your hearts, as she will live in mine. Peace and love, Darrell's youngest daughter, Elaine Camille Wood.

“ My Sister, My Best Friend, so proud to have gotten to follow you around all thru life - there were many firsts - You gave ut Family the first Grandchild (Cindy) and also our first Grandson (Tim) with beautiful Raelynn in the middle of those 2. You took me to my first concert (Elvis the Pelvis), Bingo, Bunco, Bowling, Movies, Camping, we did it all - You and Del even provided a roof. over mine and Kelli's head when needed. We worked together as well as played together. In the last few years my fondest memories are the shopping, lunches, wendover ,playing games with us 4 Sisters. I love you Kay and thankyou for sharing the Love - your forever in my heart

“ To my most favorite moma I always. Knew this day would come but I always told my self at the least ten more years .. but Im positive that the time dad has been waiting for you probably felt longer then the time we had with you it makes me happy that you have each other again but it saddens my soul to know it's going to be awhile before I get the priveledge to be in your presence once more I know I wasn't the best kid any one could've ever asked for . Pretty far from it truthfully . We didn't allways see eye to eye but even through the turmoil I always knew you loved me and I can only pray that you knew the same . You was more then just any MoMA you was always on the path of righteousness and their was nothing that could detour you right or wrong you was a rare soul and because of that I know it whont be hard to recognize you in heaven . From Your most favorite son . Tim R Sutherland
