Run Stallion Run

by Silent Doves

Run Stallion Run

Dance in the Wind

Kick at the sun

Life is forever yours

and has only just begun.

Run Stallion Run

Sunset in your eye

As fire fills the sky

You are free

and shall always be.

Run Stallion Run

Run fast, free and proud

Glide upon your dust swept cloud

Your step becomes your stride

Your heart, mind and body

Let your spirit free your soul

Run Stallion Run

And your life will be whole.
