“ I will always cherish my time with Marion, mainly working together on the most important job anybody could be doing right now, that of proclaiming Jehovah God's Kingdom message. Marion and Toni's kindness and generosity to me and my family over the many years will never be forgotten and will always be very much appreciated. From the time he sold that property on Widow Creek Road to Grandpa Earl, Grandma Dorothy, and my Dad (Dave) in 1975 -at a discount from what I understand- he has been an important person in my life, though it took me many years to understand the impact. I think I can speak for many when I say that he touched many lives and will be sorely missed. However he is merely resting right now as he will be part of global resurrection that is soon to take place. John: 5:28-29. He would love to see all of you there with him to help restore the earth to God's original purpose. To the Kangiser family please let me know if there is anything I can do for you during what has to be difficult time. Loving Regards, DH
