

Michael "Mike" Jay Reinan

October 15, 1952 - June 13, 2021

We lost our beloved brother, friend to many but most importantly father to Marvin. He was having the time of his life, the photo above was the last photo taken before his death. Mike had been looking forward for this week since the pandemic hit, first the beach then to Bend for a Father's Day weekend with his son Marvin at his best friends Doug & Annie Swain with family for fishing & having a good time. He was really looking forward to the future with his son Marvin. Mike already conquered quitting smoking, this was a big accomplishment we were all so proud of him. Mike was also very proud of himself for getting the 2 COVID 19 vaccines. He was looking forward to getting into shape again and even bought a new bike. He was a caring, friendly and charismatic father & brother who could tell fun stories all day long. Mike is truly going to be missed.

He is preceded in death by his parents Marvin & Marlene Reinan, his wife of over 40 years Carol, a brother-in-law, Rich Cook and a brother-in-law, George Zenner.

He is survived by his son Marvin of Portland, sister Sherri Zenner of Canby, sister Julie Cook Canby and sister Karrie and brother-in-law Bob Lorain of Welches and many nieces and nephews.

At this time we are at such a loss about our beloved Mike that no date has

been set to have celebration of life.

“ Missing you Mike, our beloved brother and devoted dad to Marv. In memory of you: "If we could visit Heaven, even for a day, maybe for a moment, the pain would go away. I would put my arms around you, and whisper words so true, that living without you is the hardest thing to do. No matter what we do, no morning dawns or evening falls, when we don't think of you!"Life is difficult...you were so loved. I miss our twice-a-day phone calls. I miss your laugh. I will miss not having our vacation we planned. You were the best brother to me. Thank you for your sweet love. Forever and always. Your sad sister, Sherri

“ 3rd try! My heart goes out to you, Marv, Sheri, Julie, and Kerri - and to his nieces, nephews, and friends. Mike has left a big hole in my heart and a sense of sadness for myself that I will not hear his big chuckle and laugh in my lifetime here on earth again. I'm so happy for him, in some sense, that he is now without pain or sorrow, but with his most loved ones on the other side. Mike added such great memories to my early childhood. I remember climbing the water tower, riding horses, and roller skating at Oaks Park. Some of my best memories were at your home playing in the swimming pool. I hope we can find a time to get together with each of us that loved Mike and share our stories. Gail, please have Linda text me and/or Shari your phone number, so we can get together as well. Life is short, as we all know. To lose Eddie and Mike so close together is a reminder of that. My prayers and thoughts are with you all. Love ya.

“ My heart goes out to you, Shari, Julie, Kerrie, and Marv ❤️ I still have a hard time believing you have left this physical earth - seems way too soon, So many of my memories of my younger years involved you and your sisters. Mike always had a soft spot in my heart. He was full of fun - laughs and comedy followed him. My heart is lifted with the knowledge that he was doing so well this past year. He was looking forward to seeing family and sharing those childhood stories. I wish and pray for comfort for all of us - siblings, son, cousins, and friends, I hope we get a chance to see each other and share some Mike stories, and Eddie stories as well. Gail, please have Linda send Shari and I your phone number as well. Would love to catch up with you while you are here. Linda, it would be great if you and any other cousins would like to join in the fun. Here's a big hug to each of you as you go through this hard time. I love you all. “ Hello to the Reinan clan, this is COMING FROM COUSIN GAYLE ROBBNSI was so sad to hear of Mike's passing. I've been living with the Pearson's since April 23rd 2020, & through Karrie via Linda heard several happy strong reports about Mike. I was really hoping to have the opportunity to visit with him one on one before I move back to Washington & I'm so sorry for missed opportunities, Sending my love & prayers to all his family & friends. Mike was 10 yrs younger than me & once I became a teen I did lots of week-end babysitting for "the Marvin Reinan" family. Thinking of Mike reminds me of years & years of family gatherings. I can easily see him as a young boy, wearing his raccoon skin hat & singing a song about "Davy Crockett, king of the wild frontier" Mikes passing just points out loud & clear how important FAMILY IS, you are all in my heart & prayers get together often & share the memories, laugh a lot, which is just part of the Reinan heritage --sending lots of love to you all.

“ We were so sad to hear of Mike's passing. We had so looked forward to Mike and Dad being able to visit after Covid. I know they both wanted to see one another very much, and now I hope they have reunited on the other side for that visit. Being a younger cousin of Mike I mostly just recall his teasing me and always saying "Linda lit the candle". I'm still not sure what that meant but he knew it bugged me and enjoyed telling me lol. I remember his wonderful laugh and smile, and am proud of the things he overcame in life. He will be remembered as a strong, kind human. I'm hoping to add a couple photos that I thought your family might enjoy. I'm still trying to upload. It doesn't want to allow it. Your family is in our heart and prayers. Much love,
Linda Pearson
