July 15, 1951 - September 4, 2018

Michael is now in God's hands. Michael loss his battle with (A.L.S.) Lou Gehrig's Disease. He was comfortable with his wife Chun Mei of 21 years was at his bedside. They spent 24/7, 365 together. Michael was a longtime Lincoln City Businessman, he operated the Sea Rest Motel and convenience store. He always greeted everyone with a friendly smile and how is your day going? He also was his own neighborhood watch commander, by keeping a close eye on his fellow neighborhood's homes and property. Michael was a very generous man, by helping those in desperate times. Michael was also a decorated Veteran with the US Army in the early 70's receiving the National Defense Service Medal.

The family will be having a service in the near future. We ask that those interested in coming to RSVP with Chin Mei at 541/992-6108. They family ask that in Lieu of flowers that donate to Chun Mei or the ALS Society.

Thank you, God Bless
