“ *We feel most fortunate to have had the opportunity to meet and get to know Nate, as well as Bonnie and Randy. We are enormously saddened by the circumstances and, of course, the eventual outcome. We got to experience Nate both at work, and socially, enjoying his work ethic & skills, wry wit, sense of humor, love of sports, music and movies, and of course, his Coogs! My dad was an alumnus of WSU back in the early 1930's, so I too have always had a soft spot for the Cougars (right behind the Ducks - sorry Nate!). Going forward, we wish nothing but the Best for Bonnie & Randy, and all of Nate's friends and relatives. We will long remember.*
