June 6, 1931 - April 24, 2018

Richard was born in Salem, Or. to Valentine and Wilma Hertz, the youngest of two boys, brother Robert in Florence, Or.

He was married to Virginia Yates whom passed away. He then married Annette in August of 1976. They share three sons, Tim of Butte, Nebraska, Brandon and Rich, who are successful building contractors, whom Richard was so very proud of.

He worked hard, operating heavy equipment and building roads. He also raised mink. He proudly served in the army where he was a platoon leader and a sergeant in the Korean War. Richard designed and built Hertz Plaza (Now Bonita Plaza on SE 19th) and ran Hertz Drive in for many years, also the Kawasaki dealership.

After selling our commercial property we moved to Seagrove in Lincoln Beach, and were so proud to be the longest residents of the community. Living there for 29 years, Dick served on the design community, took care of the gate and RV yard.

Dick enjoyed camping, hunting, building birdhouses, and also Chinook Winds

Casino, and all our friends there.

He is survived by his wife Annette of 41 years, sons Brandon (Christie), Rich (Shannon) and Tim (Deborah). Also our adorable Bichon Frise "Mitzi Sue Too", his brother Bob, and grandchildren; Joshua, Jeremy, Jacob, Kayla, Kristina, Nathan, Gavin, Gage, Lainey & Olivia. He was preceded in death by his parents.

Our sweet, kind and loving Richard is always with you, forever in our hearts and memories.
