“ I always loved to visit her. We shared a love of hard rock and had many conversations about music and concerts we attended. I love that she had halloween decorations up all year. My heartfelt condolences to Stacie and "Richy". Sharon was loved and will be missed.

“ I have many fond memories of my Aunt Sharon. She was the cool aunt who took my cousin and I and sometimes our friends to see many rock concerts during junior high and high school. She enjoyed them as much as we did, possibly more in some cases. She also had a long standing tradition of calling to sing me Happy Birthday each year. We had a lot of fun together throughout the years and she will be greatly missed.
