

Ted Clifford Lund

May 30, 1948 - October 27, 2024

Ted Clifford Lund, aged 76, of Otis, Oregon, passed away unexpectedly on October 27, 2024. Ted was a man whose presence was felt deeply by all who knew him. He spent his entire professional life as a dedicated mechanic, sharing his extensive knowledge and passion with everyone around him. Ted's knack for mechanics wasn't just a career but a way to connect and share his knowledge with his children who he loved spending time making cherished memories. His career was marked not just by his skills but by his eagerness to help others with their mechanical issues, often volunteering his time.

Ted was a spirited soul who loved the outdoors. His hobbies included camping, fishing, crabbing, boating, and simply driving around, enjoying the sites with his beloved wife, Karen, to whom he was married for 41 loving years. His love for the ocean was profound, often taking others out to sea to share in the thrill of catching "the big ones." creating memorable experiences for all involved. He also had a huge love of motorcross as well in his "younger years" and he loved talking about it.

Together, they faced the immense challenge of losing everything in the 2020 fires, dedicating the next four years and continuing to rebuild their home and lives from the ground up. Ted was finally looking forward to retiring next year to travel across the states with Karen, a dream that was tragically cut short. Despite this, his legacy of kindness and generosity continues. Even in

passing, Ted contributed to the welfare of others by being a tissue donor and donating his pacemaker to assist animals in need. He will be remembered for his unwavering generosity and kindness, traits that made him a beloved figure in his community. Ted always went out of his way to greet everyone and was ever ready to lend a helping hand to anyone in need, even if that meant giving them the shirt from his own back.

Ted is survived by his wife, Karen; his sons, Kenny (Pamela) and Greg (Chris); his daughters, Denise Steedman (Lisa, Hooton) and Tina (Mike) Harris; his sisters, Earlene (Dawryn) Harms and Turza Hughes; along with 12 grandchildren, 10 great-grandchildren, and one great-great-granddaughter. He also leaves behind numerous nieces and nephews. Ted was preceded in death by his parents, Glen and Irene Lund; his brother, Vick (Jan) Lund; and his sister, Nancy Lund.

“ I will always remember Uncle Teddy taking my family out crabbing. And having the kids pull up the nets. Having me steer the boat and it breaking 😭 Later cleaning crabs trying to tell him I didn't like crab having it pushed in my mouth before I could finish talking. I guess I do like crab. I am thankful for those memories.
