“ *My fondest memory were the golf outings we used to go on, one of my favorite things to look forward. I envied you Dave that you had a great golf partner, the girl could hit the ball and the snacks were good even if I say so. You've been a dear friend over the years and I have a lot of fond memories. I pray for you each day Dave and your family. May god bless you and give you pease and comfort.*
