“ Hi all, I am sooooo sorry that the beautiful video that Cheryl Neis made is not on the site yet. We have never uploaded a video from a family member yet on our new website. The software from the company we use to host this site does not recognize the format of the video. I will be getting with Cheryl next week to see if she can bring me the individual photos and her beautiful music and see if we can upload it individually. Thanks for understanding. I was very touched and moved by the love that went into the video that Cheryl made. Obviously best friends.

“ I love you sweet child of mine! You know your step Dad does as well, he chose to raise you as if you were his! In his eyes you are his daughter not mine. .. If it would piss your Dad off, you two did it! Bonnie and clyde! He loved being a Dad, and a Grandpa! I wish I could take this pain away? But not even I can do that? I love ya ! Dad

“ Where to even start. You will always be my dad and Reagynn ' s grandpa. I wish you could still be with all of us. You taught me so much in life how to throw a punch how to drive you always told me "be good or be good at it" I use to complain about average daughter stuff.... ugh dad is so annoying but now that you arnt here to "annoy" me I'm lost. I promised you that you would be the first to teach reagynn to drive. So I will teach her everything you taught me instead. I love you and one day we will meet again but until then keep an eye on us where ever you may be. And I will always continue to be good or good at it!!
