“ So very sorry for your loss Jimmy, Paul, Eva, Judy, Barbara and David. We have known your family for many years growing up in Rose Lodge together and of course living just "down the road" from you. My dad will miss talking with your mom Paul. I know he loved to sit and chat her up. She is up in Heaven now along with my mom. Take care and God Bless all of you. “ We will all miss you Grandma. I know you will be catching Grandpa and Aunt Brenda up on everything that's happened. I will miss all of your amazing stories. Thank you for all you have done for my family and I. Always being there when we need you and then some. You were the most selfless person on the planet because you showed everyone kindness no matter what. I know you will be watching over us all. Flying around with your brand new Angel wings cause like my dad said, you would be given them as soon as you walked through the gates of heaven. We love you so much and we will miss you dearly. But I know one day we will be able to see you again.
